Rojas v. Montano, et al - 1:24-cv-07628 - Conferral on Motion for Order to Show Cause

Hi Michael,

I'm seeking defendants position on a motion for order to show cause for failure to file an appearance in the case. During the hearing there was an order for you to file an appearance in the case on Friday 11/1 and as of this email there hasn't been one filed. It appears as though the statements made on 11/1, seeking an extension of time to file a motion to dismiss, were merely for the purposes of delay.

Thanks.

Jorge -

There was an issue with my e-filing status on Pacer that I have been working out. I spoke with them today and it should be resolved (hopefully) by end of the day today.

I will file my Appearance and the Motion to Dismiss on behalf of the Defendants once the Pacer system allows. I have no doubt it will be prior to the next court date of 11/25/2025. I will email you copies of filing once this is completed.

I apologize for the delay, it was out of my hands as the filing requirements for attorneys in the Pacer system had changed unbeknownst to me.

I will explain this to Your Honor on 11/25/2024 at 9:00am.

Thank you for your understanding.

Sincerely,

Michael Jimenez

Thanks for the update Michael. Please send me the MTD that you meant to file but were unable to - so that I can review it in anticipation of the next court date.
